Scholarship Application Form

(For the after-school private lesson program through the Music Department)

Lesson Program scholarships are available to all families who would be willing to volunteer for various Boosters fund raisers. Sign-up takes place only during the Lesson Enrollment Parent Meeting each year, and only one scholarship is granted per student. Scholarship acceptance is sent in the mail by a refund of the last of your monthly installment payments. In order for the Wakefield Music Boosters to support this scholarship program and aid the Music Department as well as all of the performing arts in Wakefield, we ask that all families volunteer for three events. Please check off your choices of volunteer opportunities at the bottom of this Application. All student families can apply, and scholarships are not based on financial need.
