- The UMASS LOWELL Marching Band's past seasons have included command performances for the President of the United States, and the Governor of Massachusetts. The ensemble also performs at band competitions, parades, and half-time shows throughout New England.
- Each year new music is drawn from the classical, jazz, rock, and popular idioms with original music and visuals specially arranged for the band.
- The Marching Band, open to all students in the University, has been and continues to be a rewarding experience for members as well as a credit to the school in its role as Ambassador for the University.
