Dear Parent, Band Supporter, or Music Enthusiast:

Each year, the Wakefield Music Boosters support music and performing arts programs in the Wakefield Public Schools that would otherwise be without funding. Over 1,000 talented young performers are currently enrolled in our school programs. Music and performing arts enrich our children's lives as well as provide them with the direction and motivation to excel in the rest of their academic and personal careers.

What's more, our award-winning music and performing arts programs continue to enhance the reputation of the Wakefield Public Schools throughout the state and Northeast region. Students present their talents in various concerts, performances and competitions throughout the school year. Traditionally, we have three winter concerts that feature the orchestra, concert, jazz, and wind ensembles along with choral groups. In addition, we have a series of spring concerts, which include grades 4-12 in special performances focused on each discipline. In 2017, 2018 and 2019 Wakefield was named one of the best communities in the U.S. for music education by the National Association of Music Merchants (NAMM Foundation). This is something we could not have done without the incredible support of our community.

We are asking you to support our efforts by donating to the Wakefield Music Boosters at whatever level you can. Donors at the Contributor level, and above, will receive one complimentary season ticket for each \$25 donation. Season tickets are accepted at all concerts. As a donor, your name will appear on the sponsorship page of our website.

The Wakefield Music Boosters appreciates your generous and continuing support of these fine young talented students. Thank you in advance for your continued support in sustaining these wonderful programs.
